

The 6th Congress of Asian Society for Pediatric Research
& 51st Annual Meeting of Taiwan Pediatric Association

April 15-18, 2010 Taipei, Taiwan

The Deadline of Abstract Submission Is Postponed!!

Dear Sir/Madam,

On behalf of the scientific committee of the 6th ASPR Congress and the 51st Annual Meeting of Taiwan Pediatric Association, we deeply appreciate your abstract submission to the Congress.

In order to attract more participants, and consider that the notice of call for abstract might not be well conveyed, we particularly defer the deadline for the submission of abstracts to **9th January 2010**. Abstracts can, therefore, still be submitted for oral or poster presentation at Congress. Those who have submitted abstracts will be notified as to whether their abstracts have been accepted or not on 20 January 2010.

We hope this extra time will encourage more of you to consider participating and please submit your abstracts as soon as possible on the Congress website. The revised schedule is listed as below:

CLOSING DATE FOR ABSTRACT SUBMISSION **9th January 2010 (Saturday)**

NOTIFICATION OF ACCEPTANCE **20th January 2010 (Wednesday)**

We are looking forward to your active participation.
